

§ 143-151.20. Donations and appropriations.

(a) In addition to appropriations made by the General Assembly, the Board may accept for any of its purposes and functions under this Article any and all donations, both real and personal, and grants of money from any governmental unit or public agency, or from any institution, person, firm or corporation, and may receive, utilize, disburse and transfer the same, subject to the approval of the Council of State. Any arrangements pursuant to this section shall be detailed in the next regular report of the Board. Such report shall include the identity of the donor, the nature of the transaction, and the conditions, if any. Any moneys received by the Board pursuant to this section shall be deposited in the State treasury to the account of the Board.

(b) The Board may provide grants as a reimbursement for actual expenses incurred by the State or political subdivision thereof for the provisions of training programs of officials from other jurisdictions within the State. The Board, by rules, shall provide for the administration of the grant program authorized herein. In promulgating such rules, the Board shall promote the most efficient and economical program of Code-enforcement training, including the maximum utilization of existing facilities and programs for the purpose of avoiding duplication.
